Brian Yujuico

Instuctor, Audit

Brian is a Certified Public Accountant and has more than 16 years of both public and private industry accounting experience. Brian spent the first 12 years of his career in the assurance practice at PwC serving a variety of both public SEC filers and privately held clients. Brian then went on to join PwC's Chief Auditor Network within its National Quality Organization where he advised audit engagement teams across the nation on auditing methodology and best practices. In this role, Brian also assisted in the implementation of various audit quality initiatives as well as facilitating various technical accounting and auditing trainings. After PwC, Brian spent almost 4 years in a technical accounting role at a Fortune 500 company where he led large implementations of Accounting Standard Updates issued by the FASB.

Brian currently serves on the leadership team and as a Chief Auditor for AuditClub, the Audit Service Center for CPA Firms [Public Accounting & Audit Firm | CPA | AuditClub](https://). With a mission to make public accounting better, AuditClub provides fractional chief auditors and audit specialists for on-demand AICPA & PCAOB support to Top 10, regional, and local CPA firms throughout the United States.

Brian received a Bachelor of Science in Accounting and an academic minor in Philosophy from the University of Southern California. In his spare time, Brian loves to spend time with his wife and three young boys while also trying to squeeze a round of golf in here and there.
