Chris White, CPA, joined 20-20 Services in September 2023 as a Manager in the Audit Learning division. He began his accounting career in 2016, primarily working in public accounting, with additional experience at a privately held manufacturing company. His expertise includes auditing privately held companies across various industries, focusing on manufacturing and conducting employee benefit plan audits. During his time in public accounting, Chris played a key role in audit training, creating content and delivering sessions to audit teams at different levels. He is deeply committed to teaching and mentoring professionals to support their career growth.

Chris earned his bachelor's degree in accounting from the University of Albany and is a member of the American Institute of Certified Public Accountants (AICPA). Additionally, he served as Treasurer on the Board of Directors for a nonprofit organization for several years.

Outside of work, Chris enjoys exploring the outdoors in upstate New York through activities like hiking and camping. He also loves taking road trips around the Northeast and is an avid fan of the Buffalo Bills and Sabres.
