

Nate Zick

L&D Project Manager

Nate is the L&D Project Manager at 20-20 Services. In this role, Nate manages the operations and logistics around all our virtual and in-person training programs. In addition, he manages, from a project perspective, all our customization projects. Nate brings 10 years of experience from the United States Air Force where he led and managed a wide variety of projects in Logistics as well as Learning and Development. He developed a passion for Learning while serving as the Training & Leadership Development Program Manager in the Air Force where He oversaw, developed, and instructed a Leadership Development Course. Before Nate joined the 20-20 team he was working in a contract role with BDO USA as a Learning & Development Specialist.
