Wendy Hassiepen

Instructor, Tax

Wendy Hassiepen, CPA- Provides tax consulting and compliance services for individuals and businesses. She is a Certified QuickBooks Pro Advisor. Wendy goes beyond return preparation, providing extensive tax planning and strategies to minimize state and federal taxes. She looks at every client's tax return as if it were her own.

Prior to establishing Cornerstone, Wendy was with a Big Four accounting firm. She also has many years of banking experience to her credit.

Wendy Hassiepen is also a speaker and instructor. In this role, she travels to the top 25 – 50 firms nationwide to instruct other CPA's about the tax laws, tax updates and other management topics. She loves teaching and working with the top talent. She is always versed on the new tax laws and is able to educate her clients because of her role as a teacher.

Education: University of Delaware, Bachelor of Science, Accounting.

Hobbies: Tennis, Interior Design, and Travel
